QA Office

The brand new QA Office for KCETB FET services opened in January 2020.

It is located in the Bishop Birch Institute, Nuncio Road in Kilkenny

Email: qa.info@kilkennycarlowetb.ie

Amanda Butler - QA Co-Ordinator

Kevin O'Shea - QA Officer (Training Services)

Thomas Farrell - Staff Officer

Inaugural Review

- What? QQJ will organise an external team to monitor and review KCETB Quality assurance procedures in 2021
- How? KCETB will create Self Evaluation report detailing the quality assurance procedures. A review visit to KCETB will take place in May 2021
- Who? In a word EVERYONE! Staff, learners, employers, community partners, and other partners will be involved

- 3rd February 2021 • Submission of Self Evaluation report
- 10th March 2021 • Planning visit
- 10th- 14th May 2021 • Main Review visit
- 3rd September 2021 • Draft review report to ETB
- 10th September 2021 • ETB advises on any factual accuracy issues
- 1st October 2021 • ETB provides formal response

Learner Forum

The purpose of the forum was to capture the voice of the learner in KCETB, to inform KCETB policy development in terms of access, induction and assessment, to improve our service and to listen

The forum planned for March was conducted online

Thanks to all who participated

Covid-19

Nobody could have foreseen the impact a microscopic virus could have on all our lives. Staff and learners at KCETB have adjusted to teaching and learning in different ways.

Many assessments have had to be amended to facilitate remote completion. Well done to everyone for being flexible and adaptable in these challenging times.

Summer 2020

Assessments are ongoing throughout KCETB and many of our learners will be finishing their courses.

Well done on all your hard work and best of luck in whatever path you take. Summer 2020 will be a different one but take time to relax and stay safe everyone.

Stay safe. Protect each other.

Wash your hands well and often to avoid contamination.

Cover your mouth and nose with a tissue or sleeve when coughing or sneezing and discard used tissue safely.

Distance yourself at least 2 metres (6 feet) away from other people, especially those who might be unwell.

Limit contact with others when out and about. Distance yourself at least 2 metres (6 feet) away.
